and

**March 26 & 27 (Fri & Sat)**

**9:00am to**

**6:00 pm**

(Children between ages 12 –18 will be issued a  
"Children's Passport" at the first shop visited.)

**To get started...**Either print your passport/map from the official web site at [www.houstonshophop.com](http://www.houstonshophop.com) or go to any of the 20 shops on any of the 4 days of the Hop and they will give you one. You can become eligible for all prizes by completely filling in all the required information and getting your passport stamped by at least 16 of the 20 shops. Turn in your passport at your last shop...this will enter you into our fabulous prize drawing. There are over 100 prizes this year so you really do have a great chance to win! Take off for a fun quilt ride to 20 of the best quilt shops around! On your "magic quilt ride" this year, each shop will really make you feel like you're traveling around the world. Pick up a complimentary gift and free block pattern at each shop. Be sure to study the different quilt settings at each shop to help you decide if you wish to purchase a kit to set your 2010 Shop Hop blocks.

**\* Setting kits only (no blocks), or full kits (blocks, patterns, setting) may be available for purchase from individual shops, after the event. (While supplies last; fabric substitutions may be made.)**
